Summary

The organization of the meeting was

wonderful

really bad

The meeting was for the students

very interesting

totally boring

The meeting achieved the objectives of the project.....

yes, absolutely

no, not at all

How were the PRESENTATIONS:

The presentations were interesting and really reflected the topic. The social enterprises were original and covered different social issues.

How good were PARTICIPANTS INVOLVING THE PROJECT:

Participants behaved in a very respectful way, they were open to the new cultural aspects and accepted and followed the programme.

INVOLVEMENT OF THE HOST COUNTRY IN PREPARATIONS TO THE VISIT:

1. PROGRAM:

The programme was successful.

2. MEALS:

The meals were well organized and the restaurants offered a great variety and we had the opportunity to taste typical food.

3. ACCOMODATION:

The hotel in Craiova was good and reached our expectations.

4. HOSPITALITY:

The Romanian teachers were most hospitable

How was the ATMOSPHERE, ATTITUDE OF THE PARTICIPANTS, RELATIONS BETWEEN STUDENTS:

The students got on really well, they hung out even after the activities finished and the way they hugged when they had to say good-bye reflected how wonderfully well they got on and what a fantastic atmosphere had been created during the visit.

How was the ATMOSPHERE, ATTITUDE OF THE PARTICIPANTS, RELATIONS BETWEEN TEACHERS:

The teachers' relations were good. We tried to spend most of our free time all together and exchanged working experiences.

SETTING GOALS FOR THE NEXT VISIT:

We have decided to go on working with the dictionary, do the canvas presentation , include a heritage Turkish fair in the programme at Seville meeting.

ROLE OF THE COORDINATOR IN THE HOST COUNTRY:

The coordinator has been in charge of everything, planned all the activities and been most hospitable and closed to all of us.
